

MUNDOCKIAN 55

Barbara Rishel
508 Wischman Ave

Class of '57"

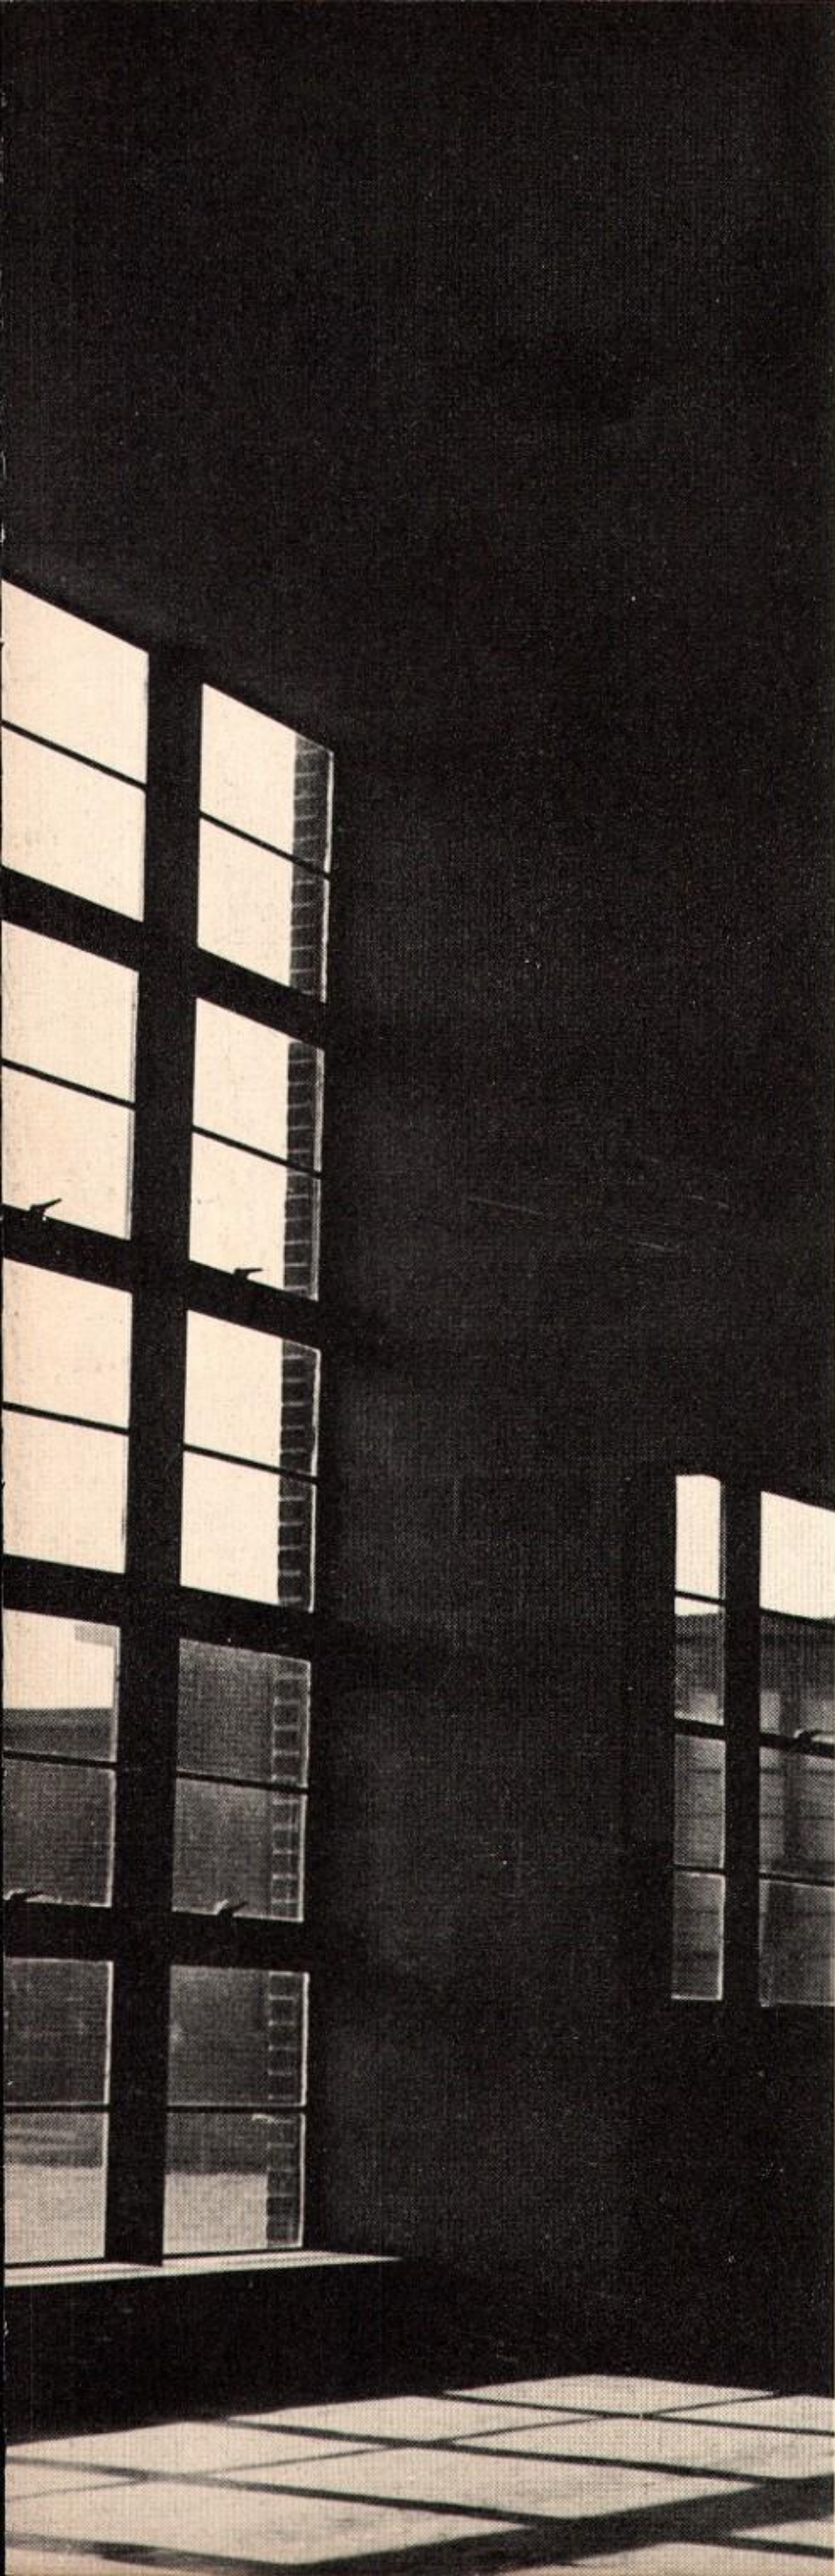

FOREWORD

AS WE LEAVE our high school days behind us, we remember the joys and struggles which we have faced for the last four years. Since we are Upper Dublin's first graduating class, it has been our privilege to form the traditions and set the standards for the succeeding students. Thus it fell upon our class to name the first yearbook, the 1955 MUNDOCKIAN.

The name, Mundockian, was taken from the Mundock Indians who inhabited this area before the first settlers came. They were a peaceful and agricultural people who camped on the former site of Jarretown School and along a stream at the base of what is now called Mundock Hill. Farmers in this area have found many relics such as arrowheads, stones for scraping leather and other tools. The Indians were eventually crowded out but their name remains in Mundock Hill and Mundock Road. A small stone, grey with red flecks, also bears their name. It therefore seemed natural that we choose the name MUNDOCKIAN for our yearbook.

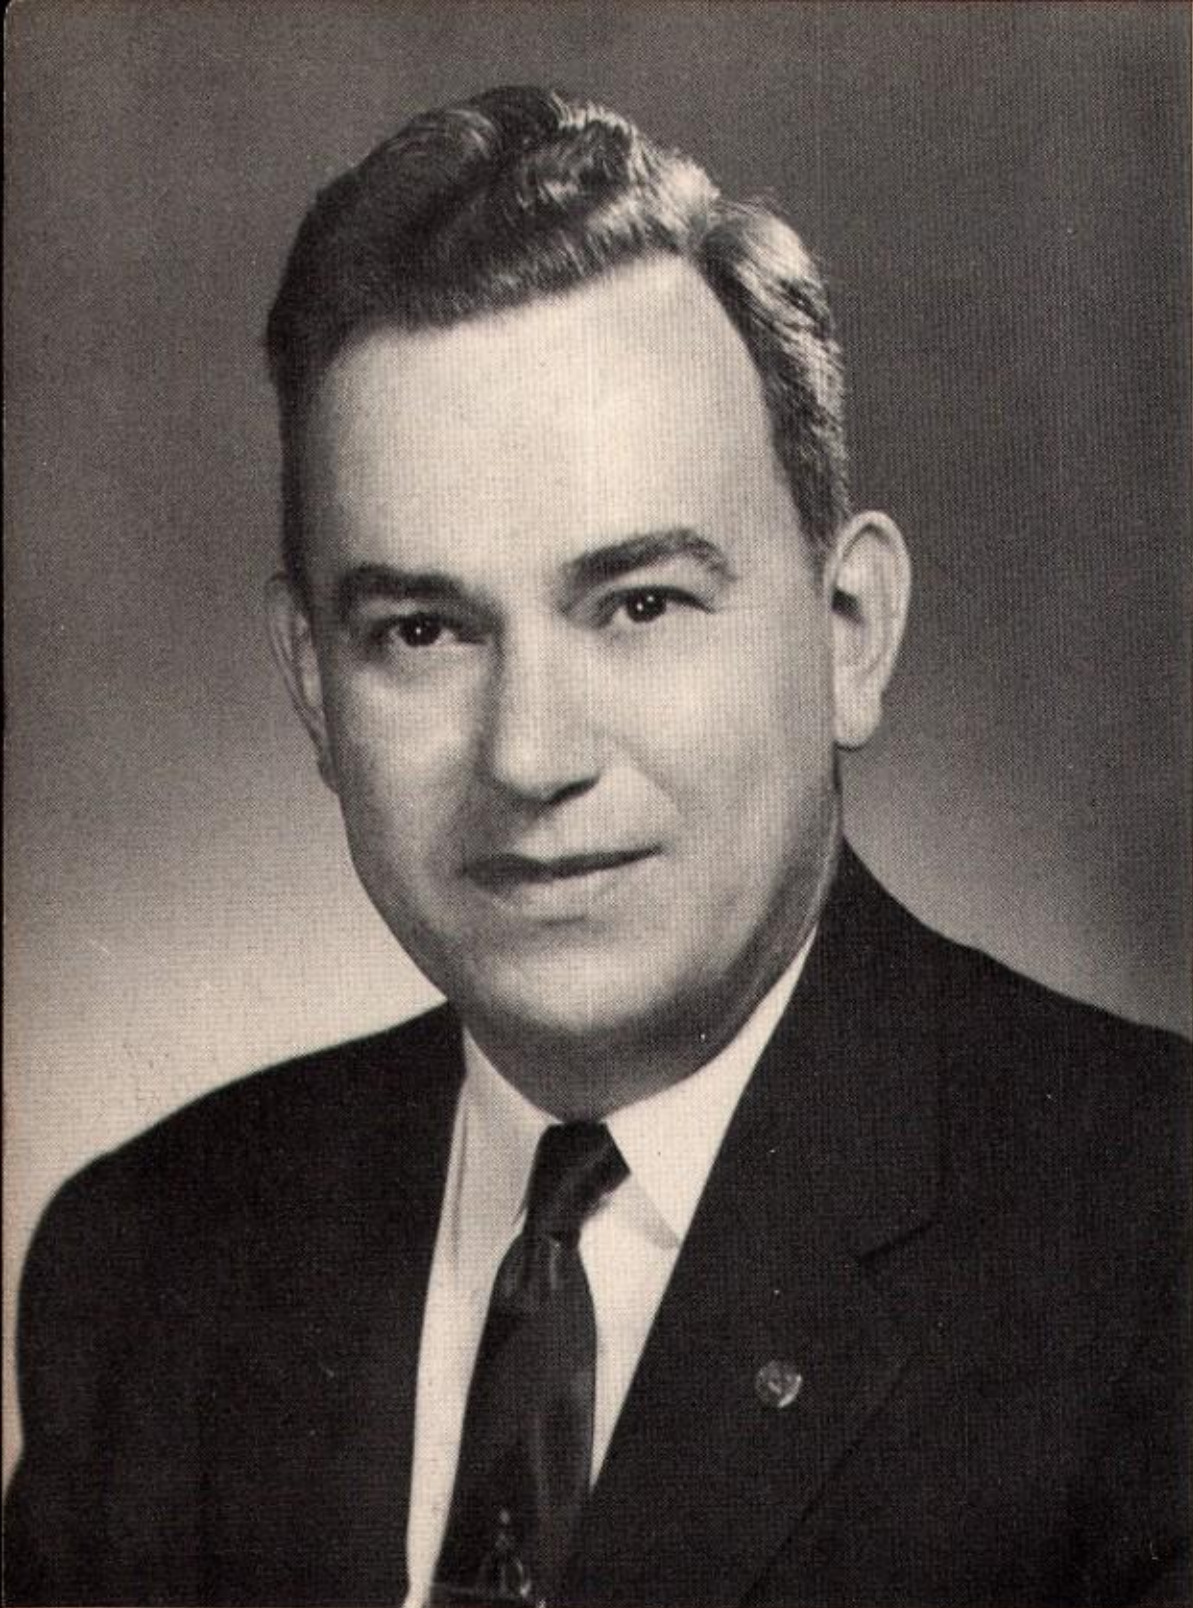

The memories of our high school days will be cherished throughout our lives. In this yearbook we hope to recall the wonderful times we have had together. Although we have come to the crossroads where each must go his own way, we hope that this book will offer a constant reunion to the members of our class.

DEDICATION

DR. WALTER W. ESHELMAN

It is to Dr. Walter W. Eshelman, Supervising Principal of the Upper Dublin Township Schools, that the staff of the 1955 Mundockian wishes to dedicate Upper Dublin High School's first yearbook. We thank Dr. Eshelman for all that he has done for us and for Upper Dublin during the years that he has been here.

Since he has come to Upper Dublin, the school system has continually gone forward. With constant untiring effort he has inaugurated such improvements as the remodeling and modernizing of the elementary schools, the operation of kindergartens, and the building of the junior-senior high school. With these he has welded the township into a unit and has developed for us its first complete school system. A new elementary school is in the process of construction. Naturally, to us his most important accomplishment has been that of giving us our own high school and with it, that priceless asset, a good education.

As we leave Upper Dublin High School, we thank Dr. Eshelman again and hope that we will go forward to establish a record of honor for him and Upper Dublin.

Class History

The school year began!! We were the new seventh graders (97 strong) of the new Upper Dublin High School. Things were strange but we were soon like old friends. All the girls were madly in love with the dreamboat of seventh grade, Mr. Campbell. The first dance of Upper Dublin Junior High was held at Fort Washington School, everybody went and everybody danced.

The year rapidly drew to a close and when we met again we were eighth graders. By this time we were all old hands and many budding romances were forming. The spring came and we excitedly embarked on our long awaited eighth grade trip to Harrisburg. We all had a good time even though it poured.

Ninth graders, the big freshmen! We were to have our first prom. The date was set and all the girls were trying on their first formals. It was a huge success even though only 28 people attended. The next event was the traditional ninth grade play. Through long practice and hard work the play was a success. We graduated full fledged high school students. A celebration was held afterwards at Gifford's house, the whole class invited.

Through the summer months plans were made for the continuation of the high school and the fall saw us all back together again, disregarding the noise of bulldozers and steamshovels. We were only tenth graders but still the top classmen. Our senior high school football team was formed and even though we had a poor season we foresaw the makings of a good team.

Our history classes were interesting and different as every other week we had a new teacher. Finally, Mr. Starner, our eighth, arrived and finished the year. Things were now starting to roll, in the way of school functions. We had our first committee meetings and the designing of our first school ring was under way. Christmas time arrived and we had our first band dance. The year passed on with many more social and scholastic functions.

Juniors! Our eleventh year of schooling! Again the loud roar of bulldozers and hammering disrupted us. Our football team fared better

throughout the season accumulating more experience. Just before the Christmas holidays the first school ring arrived. The yearbook staff was collecting their thoughts and material. One day after Christmas, nature started shedding her coat and laid a white blanket of snow on the ground. The juniors decided they would like to go sledding so about sixty of them went on a three day joy ride. The basketball game was awfully quiet that night. The time for the class play rolled around and this year we combined our talents with that of the sophomores. By February, the month of Valentines, many girls were sporting certain boys' rings, the "going steady" fad was in full bloom. For many months the 11B and 11C groups had been working hard on "The Robe" under the direction of Mrs. Graichen. The play was given at Easter. It was an excellent portrayal of Lloyd C. Douglas's novel. In the early spring the first Varsity Varieties was given. Late May featured the Junior Prom. The committee did a great job. Just the right ending for our junior year.

Fall arrives! Our last year of high school. Now we were the big Senior Classmen on the brink of life, getting ready to step out on our own. The senior officers were elected: Walter L. Reller, president; John W. Bender, vice president; Nancy Lou Bumm, secretary; Richard Whitmire, treasurer. The football season was a success and the Thanksgiving Day game finished it off with a grand victory. The first football queen of Upper Dublin was crowned. We were having fun in Chemistry, causing minor atomic explosions and Mr. Shearba the loss of his hair. The Christmas dance was held the week before vacation. Basketball season was just as successful as football. Things were happening fast and we were all preparing for the big day.

The big day arrived, and so, after twelve long years, we bring to a close one phase of our education. Now, we, the seventy-six remaining seniors, depart from our Alma Mater to travel each on his own road of life. The road we have traveled has been rough but the rocky highway of life lies ahead.

Class Will

We, the class of 1955, being of "sound" mind and body, wish to bequeath the following to our successors:

"The Three Musketeers" (ELEANOR BIDDLE, PAT DOWNES and PAT STEPHENSON) distinction for causing a hurricane in class to Sannie Gifford and Bea Cressman.

SAM JOHNSON'S smile to "Ipana" Primus.

WALT RELLER'S baton to anyone who can carry it.

DOTTIE SNYDER'S giggles to Betty Scheerbaum.

ARCHIE HARRIS' athletic ability to "Saxey" Harris.

JANET BLAIR'S make-up kit to Loretta Phipps.

CHARLES HEPPE'S chemistry marks to Julia Gatter. (May they rest in peace.)

BARBARA WENNER'S strutting ability to Janet Jago.

WEASEL FLOYD'S trombone to Bill Burnett.

MARY GAUMER'S crowns to Joan Sterner.

LARRY COTTOM'S spectacular lay-up shots to Don Robins.

FRANK (Ottie) OTTINGER'S quarterbacking ability to Bill Surger.

ALICE JARICK'S "Six-button Benny" to Ann Piszek.

BARBARA TROW'S chewing gum to Beverly Fox.

RANNIE GIFFORD'S lateness to Mary Ann Bolenius.

LEROY SPENCER'S women to Bobby Green.

MARGIE HOPF'S paint brush to Diane Engle.

ARLENE HOPWOOD'S typing ability to Anthony Tambourino.

MIMI BRAY'S jokes to Peter Satterthwaite.

DON SHORT'S blond hair to Betty Scheerbaum.

BEVERLY VINCENT'S seriousness to Roger Berry.

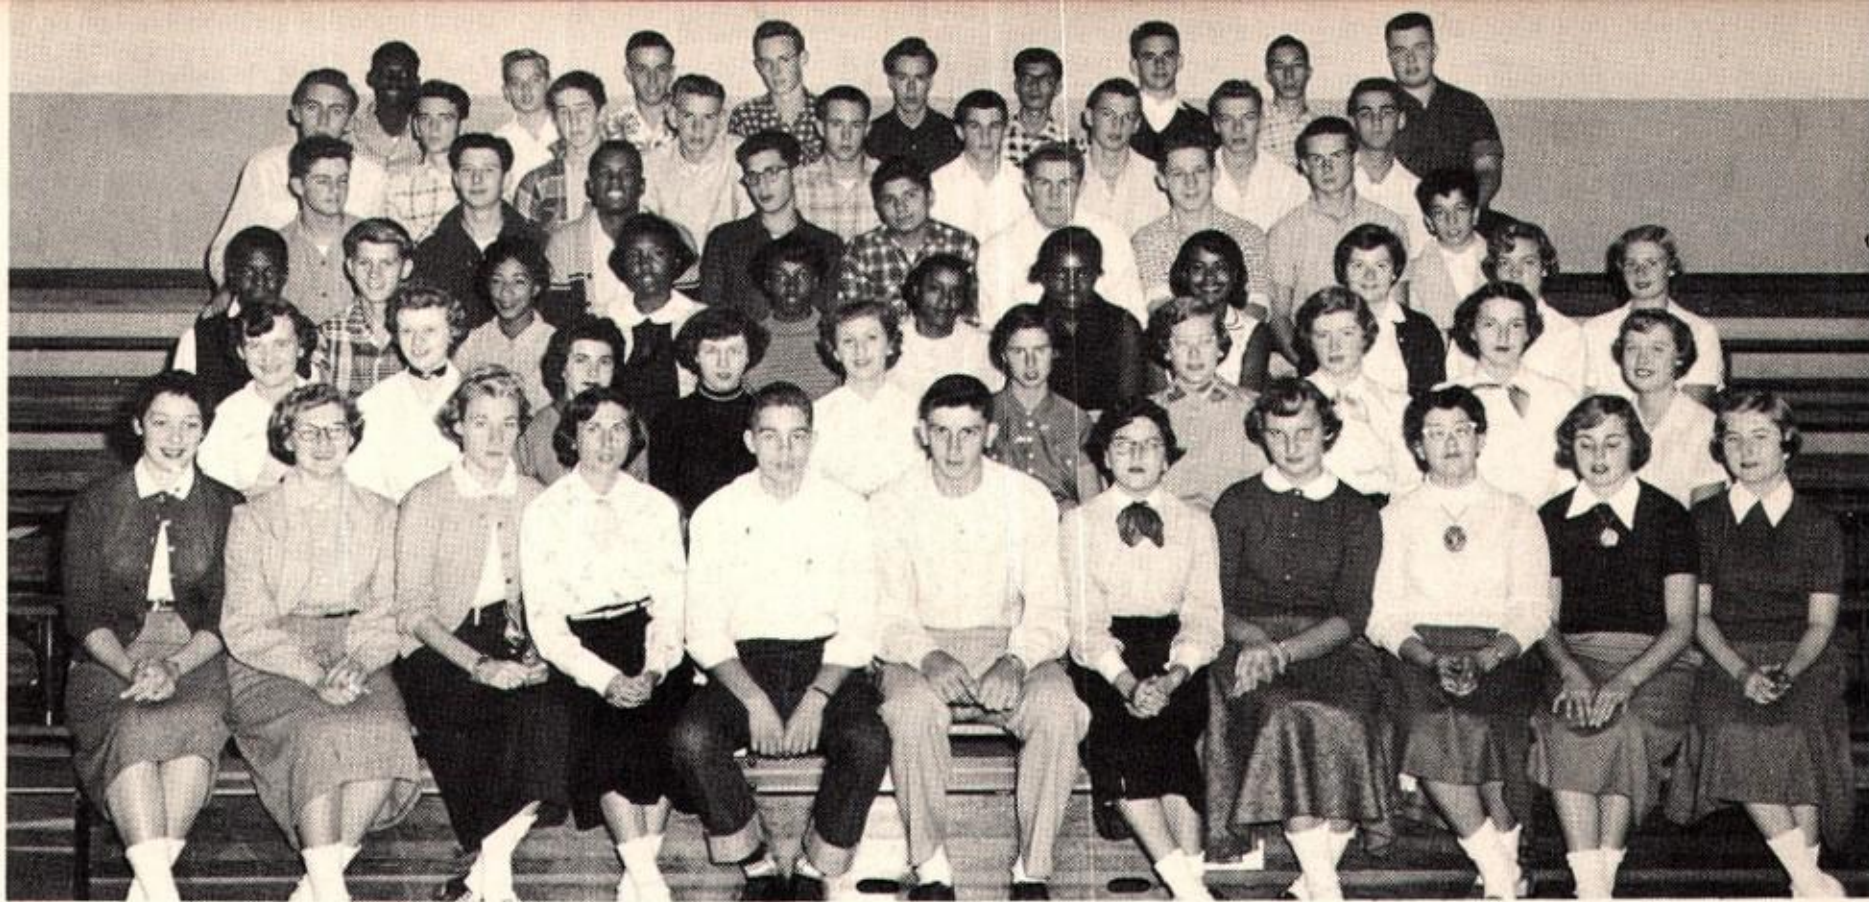

JOHN BENDER'S noise on bass drum to David Cottom.

WE, the Mundockian Staff, just leave.

1952 was an unforgettable year for the squad of sixteen energetic gridgers who struggled and met defeat on the field and in the scorebook, but not in spirit. Only two seasons of experience brought to the forefront in September of 1954 a powerful squad of thirty-two well trained players who were ready for their first year as a full high school and playing a tough schedule. The crushing defeat in that first year by Lower Moreland of 55-0 was turned into a glorious victory of 13-7 on October 9, 1954. Similar victorious comebacks were seen at Jenkintown, Wyomissing, Schwenksville, Collegeville, and victory against a new oponent, Plymouth-Whitemarsh, on Thanksgiving Day. The three losses did not mar an otherwise successful season in the eyes of U.D. rooters.

We started our hockey season shortly after school started. There were about 30 girls out for the team. We started practicing by running the track, doing our exercises, sprints and scrimmaging. Everyone got liniment the first night for all those sore muscles.

We had a very good season with three wins, two ties, and one loss. The team owed a lot of thanks and credit to the fine coaching of Miss Paul.

High scorer of the season was Eleanor Washington with seven points. The rest were as follows: Sannie Gifford, four; Sara Case, three; Rannie Gifford, two; and Mary Ann Lane, one.

The seniors bidding farewell to the team were: Rannie Gifford, Mary Ann Lane, Barbara Garrison, Pat Stephenson, Nancy Lou Bumm, Eleanor Biddle, Mary Gaumer, Judy Thoenebe and Mary Jane Case.

Practice makes perfect!

Go get it, Joan!

BOYS' BASKETBALL

Sonny, do you see what I see?

Basketball, a sport almost unheard of by the students of our school four years ago, came into its own in this our third year of inter-scholastic competition.

For two years we took our knocks from other more experienced cagers. In 1954, however, under the guidance of Coach Guldin our boys decided to do some stepping rather than be stepped upon.

A fighting group of rebounders consisting of Sonny Fad, Jack Banes, and Don Robins (who

also figured as the leading scorer) paced the Cardinals to an 8-6 Tri-County League record. Instrumental in many of the Redbird victories were the timely scoring of Bruce Elton and the play making of Frank Ottinger.

It is indeed commendable that in a first year of varsity competition with senior personnel our squad qualified for Class B competition in the PIAA District I playoff. Let's hope its only a start.

Starting off the year with our first complete Senior High team, we were handicapped by inexperience. Who will ever forget the many practices held by the dawn's early light? Step by step improvement was shown with the P.S.D. and Neshaminy victories highlighting our season.

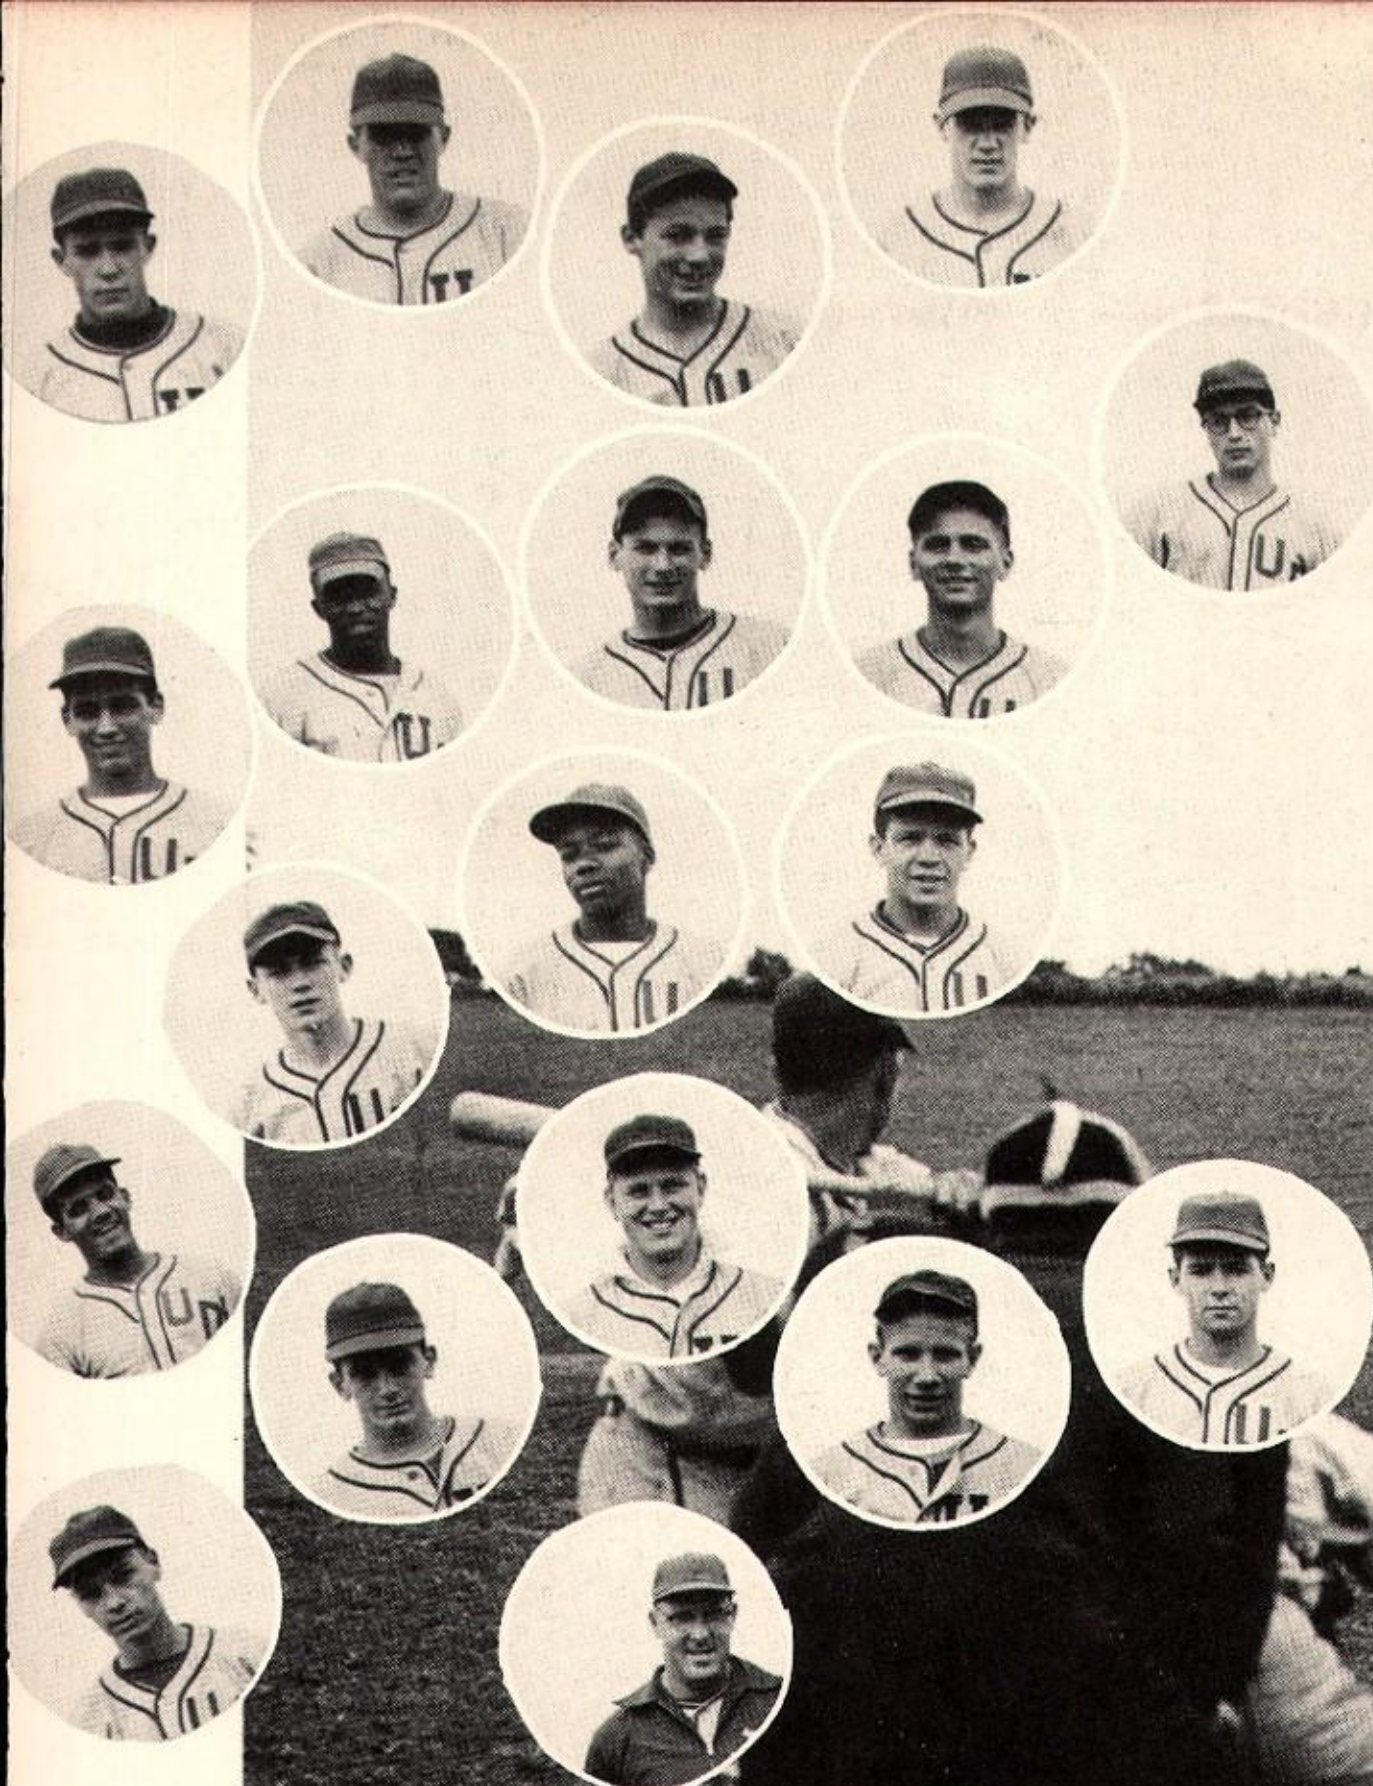

All in all we feel this year was a foundation for future Cardinal successes in this game of basketball.

"Music maestro, please!"

The Upper Dublin High School Band is a major activity in the school life. During the first year that the school was open, a series of "Band Drives" were organized to raise funds for the purchase of instruments, stands, and music. In 1953, the P.T.A. supplied the band with uniforms. In the school year, 1954-1955, the band participated at all of the U.D. football games, the Christmas program, several parades, and all assembly programs. It also presented its annual Spring Music Festival with Mr. Robert C. Foust, music director, conducting band and chorus.

"Dig that Dixie beat!"

"And the melody lingers on"

CHORUS

"Sweet and lovely"

Upper Dublin High School, in its first year as a complete high school, already has established an enviable reputation for its vocal music.

The two choruses have contributed to many school musical programs, climaxed by the Spring Music Festival each year.

The junior sextet and the senior quintet have also performed at all school musical programs and at various civic associations. Those girls who have contributed their vocal talents to the sextet are Janet Jago, Diane Stevens, Beverly Kallenbach, Alice Freund, Elaine Myers, and Joan Marasciulo. Mimi Bray, Mary Gaumer, Mary Ann Lane, Ginny Walder, and Judy Thoenebe are the girls who have comprised the quintet.

"Four hands but one melody"

BLOSSOM TIME
JUNIOR PROM

The first Junior Prom of Upper Dublin High School was held on May 21, 1954. A cloudy dawn failed to dampen our spirits as we decorated the gym to the theme of "Blossom Time."

By the time the "Big Moment" had arrived, the skies were clearing and the dance was under way, with Eddie Bartlam's orchestra furnishing the music. Refreshments of cupcakes and punch were enjoyed by all with the extra bonus of orange ice (straight from the gallon container).

The usual practical jokes and capers saw our dance come to a close at midnight. However, for us the night was still young and found us eating and dancing at Hustle Inn and various private parties. And home we went to dream of that memorable night.

Senior Dramatics is functioning for all senior high students who are interested in any phase of dramatics. The purpose of the club is to develop appreciations for dramatic experiences of various dramatic techniques and stagecraft. One of the highlights of the year is to attend an outstanding professional stage production in Philadelphia. This year a number in the group saw "Wonderful Town." The group usually presents a one-act play for an assembly program, and occasionally attends some local amateur dramatic productions. Last year "The Robe," by Lloyd C. Douglas, was enacted by sections 11-B and 11-C under the direction of the Dramatics Club adviser, Mrs. Graichen.

Cast for "Inner Willie."

Scene from "The Robe."

STUDENT COUNCIL

The key to all student activities in our school is and has always been our Student Council. Consisting of representatives from every classroom in the school the council oversees such functions as Magazine-Campaign, club charters, some assembly programs, dances, school stores and many other school activities.

One of the major operations of this group has been to investigate and solve problems originating in the school. We feel that the members of student council have set a precedent which future councils will have great difficulty imitating.

CONGRATULATIONS AND BEST WISHES

to the

FIRST GRADUATING CLASS

of

THE UPPER DUBLIN HIGH SCHOOL

We wish you success in your continued search for knowledge and understanding.

A nation is strong, happy and productive as long as its people are more interested in creating opportunity than in seeking security, especially the kind paid for by others.

The only enduring economic security is born of character and is carved by the individual with his own hands and by his own ingenuity in creating opportunities for himself and for others.
